Good afternoon Gentlemen,

I hope you both are having a wonderful holiday season. I realize you all might be out of the office but I wanted to go ahead and get this update to you re: p-CBSA. The PPRTV assessment is nearing completion; it is currently in final NCEA clearance review and I anticipate it being posted to the PPRTV database during the month of January. The minute the assessment is officially cleared I can send you all a copy as a courtesy. If we then need to discuss anything within the assessment or otherwise related to -CBSA, I am happy to do so but ask that you also include the NCEA-Cincinnati folks cc'd here on the invite. I would also like to let Gina Solomon know about this update but wanted to defer to you on the communication. Let me know if you want to contact her or if you would like us to. Take care and have a happy New Year!
